ABOUT US

OUR STORY

Established in 1951, Metz Liquors has been a staple in the Daytona Beach Shores area, initially opening its doors as a grocery store. Over the years owners Ed and Ann Metz expanded their business to include a bar and package store, later adding a second bar and package store North of the original location by 1960. The families dedication to providing exceptional service led them to open a third location near the Dunlawton causeway and a full bar and package store on US1 in South Daytona.

Tragedy struck in 1967 with the sudden loss of Ed Metz. Ann Metz took the reins and, with the help of her brothers Bob and Josie Donohue, continued to manage the business. Bob played a crucial role as the general manager, working closely with Ann for many years.

Today Metz Liquors remains a family-run business, with Ann's son Peter leading the way alongside two of his children, Joe & Julie. Despite the changes over the years, Metz Liquors continues to operate as one of the longest family-owned businesses in town. We take pride in our deep rooted family spirit and are honored to serve the community that has been apart of our journey for over seven decades.

OUR MISSION

When visiting any of our establishments, we strive to bring you the ultimate relaxing experience. Whether you live one mile away or 100 miles away, we want you to feel like family.
